**Recommended Accommodation:**
The plan for the business meeting is built on the idea of being based in Caserta, where there is a nice city centre with restaurants, the Royal palace, and the train station, all within a few meters. Then we move to Aversa by special bus reserved for us for the meetings in the beautiful Department, one going in the morning and one going back in the evening.

Accommodation in Caserta (3-4 stars):
Hotel Royal Caserta (60 e/night approx.)
Hotel Amadeus (50 e/night approx.)
Hotel dei Cavalieri di Caserta (60 e/night approx.)
Hotel Europa Caserta (60 e/night approx.)

Possible accommodation in Aversa (3 stars):
Hotel Artemide (70 e/night approx.)
Hotel del Sole (55 e/night approx.)

**On the accommodation** - The accommodation in Caserta is absolutely better than Aversa: nicer, much more enjoyable staying there in the evening, and also for the dinner it is much better, and finally for the tour on Saturday for which we will be already on site. Staying in Aversa of course is possible and two hotels are mentioned above, but it is not recommended.

**To get from the accommodation in Caserta to the venue for the meetings in Aversa:**
Special direct bus for us, leaving on the 24th at 9.00 from Caserta Train Station to the Department in Aversa, and coming back around 19.00 from the Department to Caserta Train Station.

**Flights:** Naples International Airport is the closest to Caserta (there are buses from the airport to Caserta every hour approx., 40’; https://www.aeroportodinapoli.it; https://www.atcbus.it/p/linea_aeroporto_nuovi_orari.htm), otherwise Fiumicino International Airport in Rome.
**Train:** from Rome to Caserta, high speed train, 1 hour approx.; from Naples, local train, 40’ approx. (https://www.trenitalia.com/en.html)
